CREATE POST

Another productive way to use this tool to begin a daily writing routine. One way is to generate a random paragraph with the intention to try to rewrite it while still keeping the original meaning. The purpose here is to just get the writing started so that when the writer goes onto their day's writing projects, words are already flowing from their fingers.

Yes. We're always interested in improving this generator and one of the best ways to do that is to add new and interesting paragraphs to the generator. If you'd like to contribute some random paragraphs, please contact us.

PROFILE

The page features a dark background with a large, semi-transparent purple circular placeholder image in the center. Behind it is a vibrant, futuristic city skyline at night with glowing lights and skyscrapers. At the top right, there's a navigation bar with icons for Home, Chats, Notifications, and Settings, each accompanied by a small red notification dot.

A profile card for a user named "Swarup". The card includes a purple placeholder image with a red plus sign, the name "Swarup", the email "2005100@ugrad.cse.ac.bd", the title "CSE Undergraduate @ BUET | BDMO Camper", and the connection count "210 Connections". Below the card are tabs for "Profile", "Posts", "Awards", and "My Work".

The image shows a mobile application interface for 'CampusConnect'. At the top, there's a navigation bar with icons for Home, Chats, Notifications, and Settings, along with a greeting 'Hello, Swapnil'. Below the navigation is a horizontal menu with 'Posts', 'Communities', 'My Network', and 'Collaborations'. A 'Direct Messages' section is visible, featuring a search bar and a list of contacts: Aoishy, Maisha, Sid, Seam, Shahad, Zisan, sadia, and Dihan. To the right, a 'Friends' section lists users: Nikhil Shivanath (Online), Anumita R Ajit (Online), Samvardhan Singh (Offline), Harikrishnan Srinivasan, and Ashwath Nandan (Busy). Each user entry includes a message icon and a more options icon. On the far left, there's a sidebar with 'Dashboard' and 'Topics' options. The background features abstract, overlapping speech bubble shapes in green, blue, yellow, and orange.

AI SEARCH

The image shows a composite screenshot of a mobile application interface, likely a professional networking or academic platform, demonstrating AI search features.

Top Bar: A navigation bar at the top includes icons for Home, Jobs, Messages, Notifications, Profile, and Settings.

Search Overlay: A large search bar at the top left contains the query: "Find Zisan from CSE. he does cp and was involved in murchona. Find posts related to him". An "AI" toggle switch is visible next to the search bar.

Profile Cards: Below the search bar are three profile cards:

- 2005100:** A placeholder card with a dark grey background.
- Swarup Sidhartho Mondol:** Includes a profile picture, name, and a "Pending" status indicator.
- Professor Ferdous:** Includes a profile picture, name, and a "Trying to do something innovative. See more" bio snippet.

Bottom Navigation: A sidebar on the left provides quick access to Saved, Supervision, and Support features.

Background Content: The main screen displays a video thumbnail in the foreground showing a 3D geometric cube model against a blue gradient background. The video duration is 1:25. In the top right corner of the video frame, there is a white circular button with a black dot.

Right Sidebar: A sidebar titled "Add to your feed" lists three user profiles with "track" buttons:

- Marie Clark:** Placeholder information.
- Mark Tini:** Placeholder information.
- Zander Kutske:** Placeholder information.

A "See all recommendations" link is located at the bottom of this sidebar.
